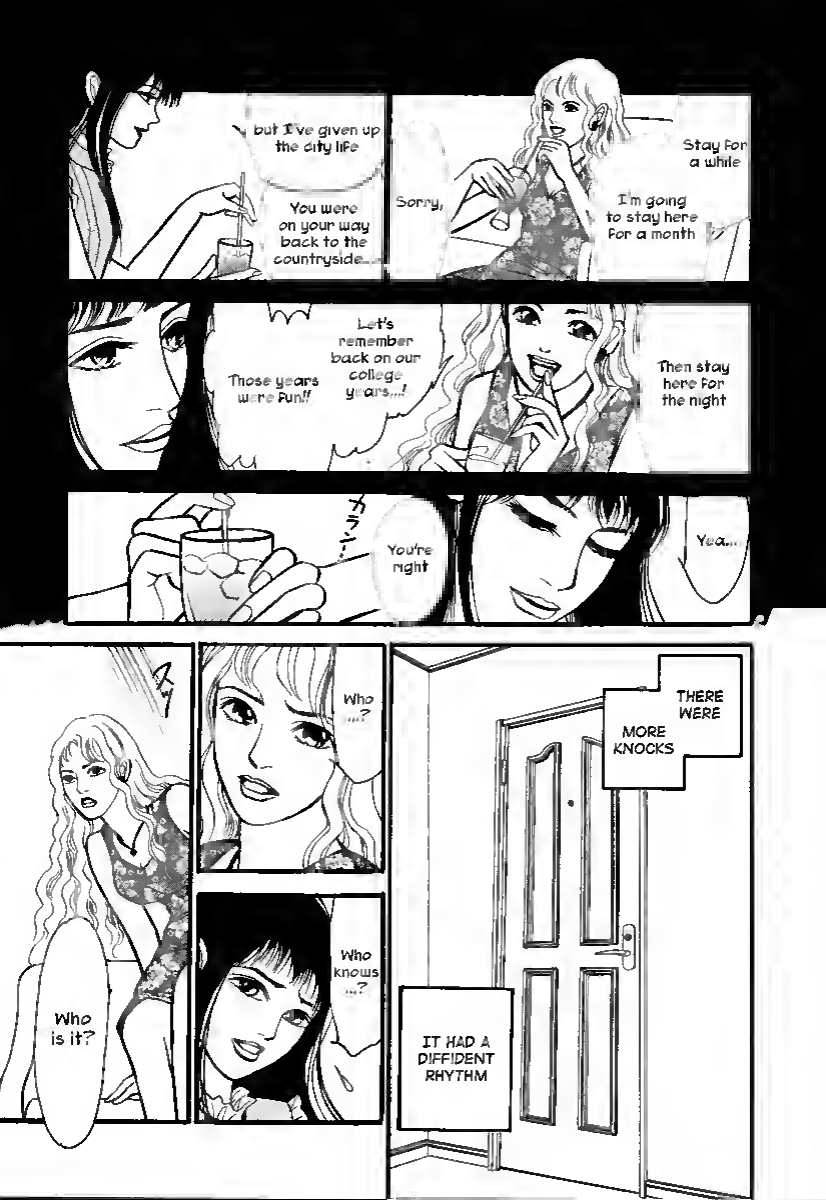
THERE WAS A KNOCK
THE GUESTS OF THE ROOM ARE
THIS IS A ROOM IN A HOTEL ON THE PLATEAUS---
NIJINO FUMIE
YUKIKO MIYA-SHITA
AND
Thanks for the postcard
I'm so happy you came
I was getting bored
You do this... every year, huh...
Yeah
It's too hot in the city

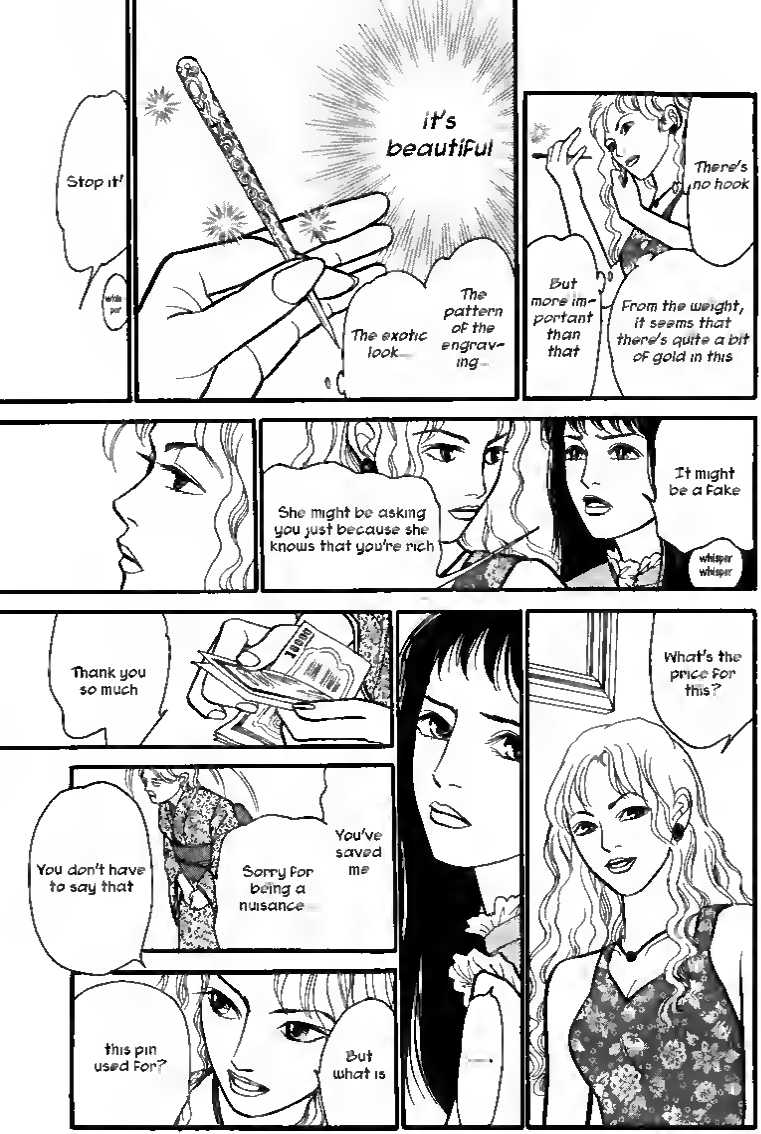


but I've given up the city life
You were on your way back to the countryside...
Sorry,
Stay for a while
I'm going to stay here for a month
Those years were Fun!!
Let's remember back on our college years...!
Then stay here for the night
カラ...
You're right
Yea...
Who is it?
Who ...?
Who knows ...?
IT HAD A DIFFIDENT RHYTHM
THERE WERE MORE KNOCKS

I'm the guest in the next room over
I have a request...
ガチャ
She's the old woman I met several times in the lobby and hall
What is your request?

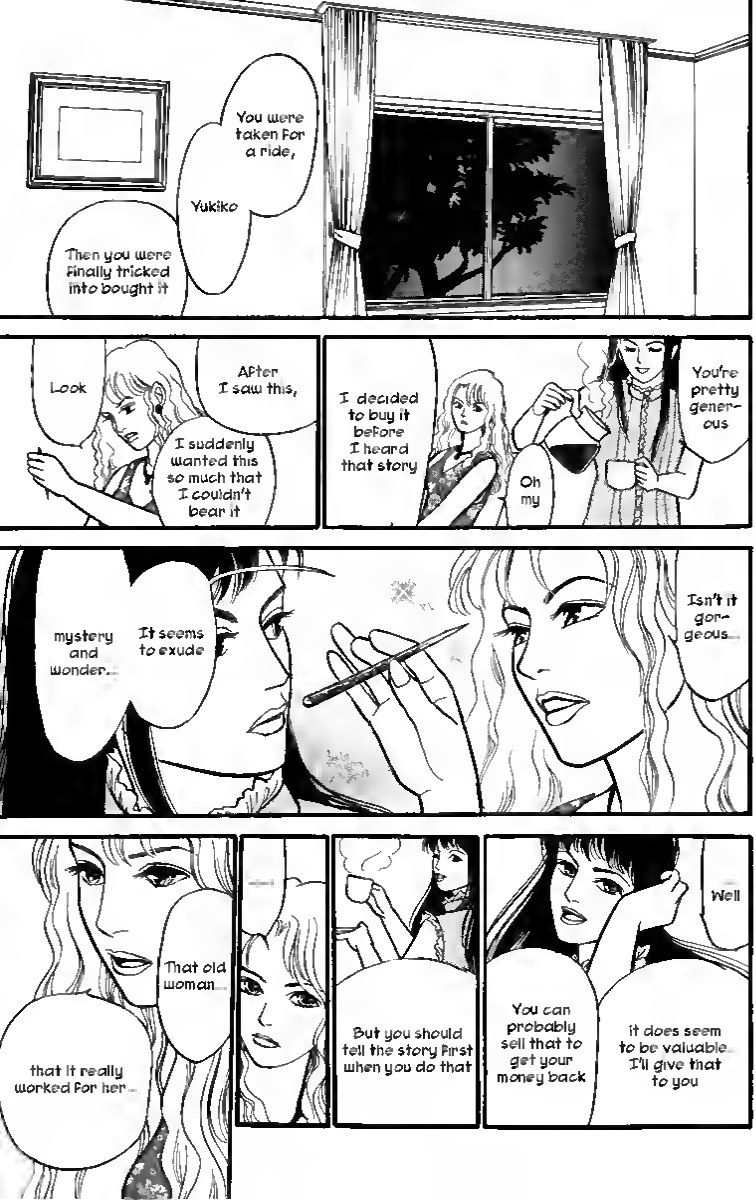
Umm... The truth is...
I had planned to go home tomorrow...
but it seems that I don't have enough money to do so
I seem to have gotten the fare wrong...
Even then, I still want to go home
I was wondering
if you could buy this item of mine...

Oh my
This item seems
quite interesting
Allow me to have a closer look

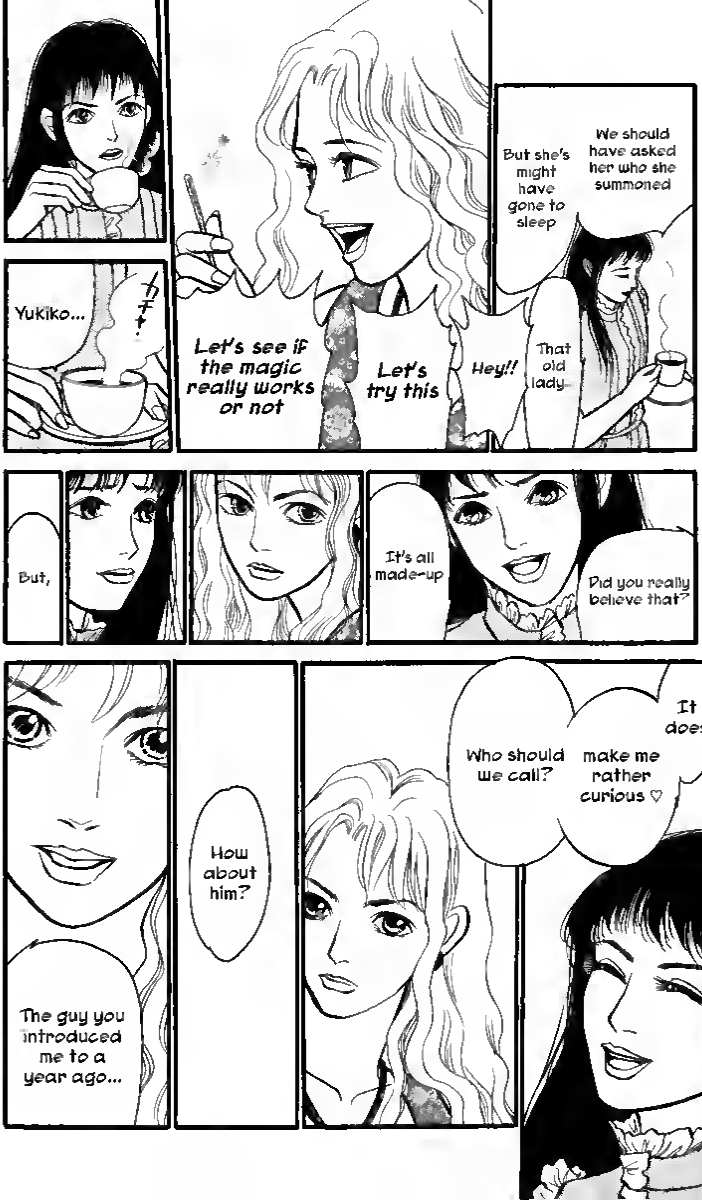


Stop it!
while pur
it's beautiful
The exotic look...
The pattern of the engraving...
There's no hook
But more important than that
From the weight, it seems that there's quite a bit of gold in this
It might be a fake
whisper whisper
She might be asking you just because she knows that you're rich
Thank you so much
MONEY
What's the price for this?
You've saved me
Sorry for being a nuisance...
You don't have to say that
this pin used for?
But what is

I was told that it had magical powers...
I traveled through Europe
and bought that from a gypsy
Back when I was young...
it was a long time ago, mind you---
As my way of thanking you,
I'll tell you about that pin
So, what kind of powers!?
much more interesting!
Now this seems
Wow...!!
Well... I don't know...
Will it really work?
But the owner can only
use that power once...
But ...
it worked for me....
The power to summon anyone



You were taken for a ride,
Yukiko
Then you were finally tricked into bought it
Look
After I saw this,
I suddenly wanted this so much that I couldn't bear it
I decided to buy it before I heard that story
Oh my
You're pretty generous
mystery and wonder...
It seems to exude
Isn't it gorgeous...
that it really worked for her...
That old woman...
But you should tell the story first when you do that
You can probably sell that to get your money back
it does seem to be valuable... I'll give that to you
Well

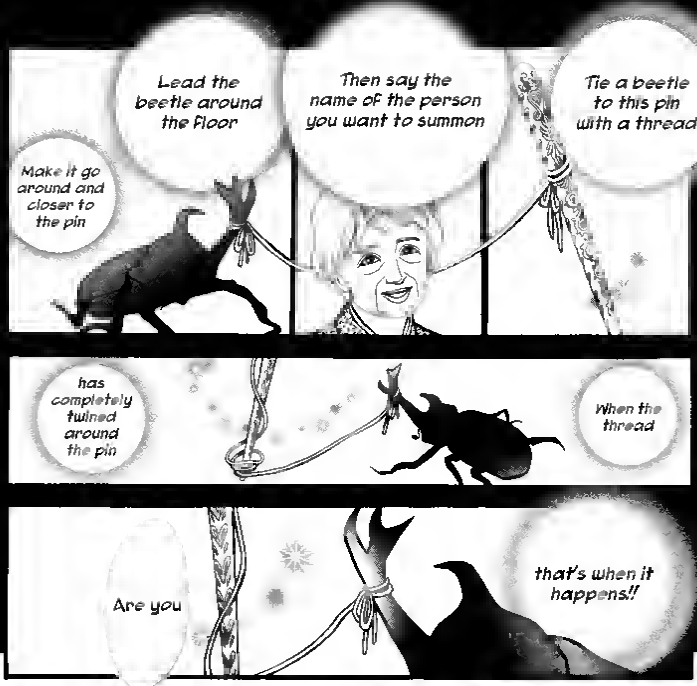


Yukiko...
カチ
Let's see if the magic really works or not
Let's try this
Hey!!
That old lady
But she's might have gone to sleep
We should have asked her who she summoned
But,
It's all made-up
Did you really believe that?
The guy you introduced me to a year ago...
How about him?
Who should we call?
It does make me rather curious ♡

we dated for three times
Then,
Nice to meet you
This is Sone Akio
We didn't fight or anything
We always had a good time
He was a smart and intelligent young man
but he hasn't contacted me
For a while now
Is he busy with work...
Or...
is he seeing someone else now?
It would be a pain for me to call him

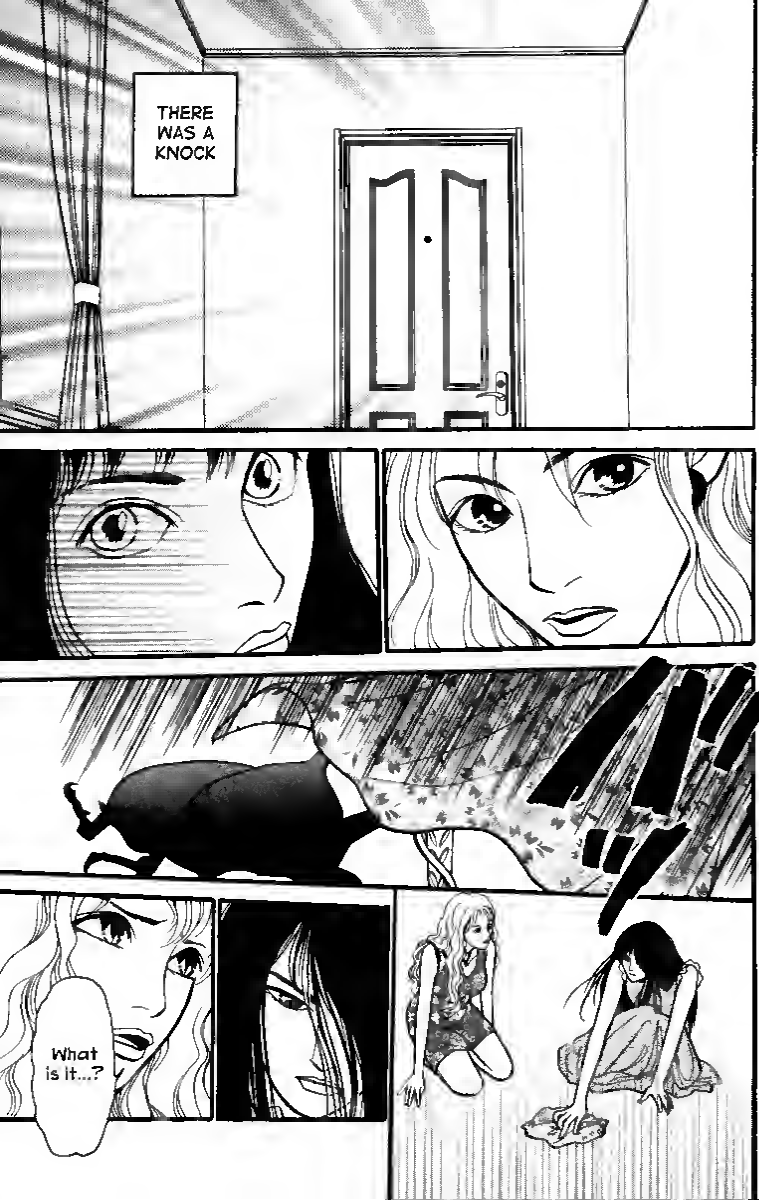
I was the one who bought the pin, right?
What's wrong!?
Huh!?
Let's try someone else
Be-sides
We don't have anyone else handy
Then just help me with tying the thread to it
I hate touching bugs
They look disgusting close up
Sone Akio!!
Summon our acquaintance,
Now!!

Let's stop this!!
Isn't this
ridi-cu-lous?
I think it's fun
Fumie, it doesn't seem
like you believe in the magical powers of the pin
That's right
It goes against common sense
Or is it
all be-cause
you hate Sone?
Either way, you shouldn't have a problem with this, right?
That's not the case
I can't help but want to see him
The power to summon anyone

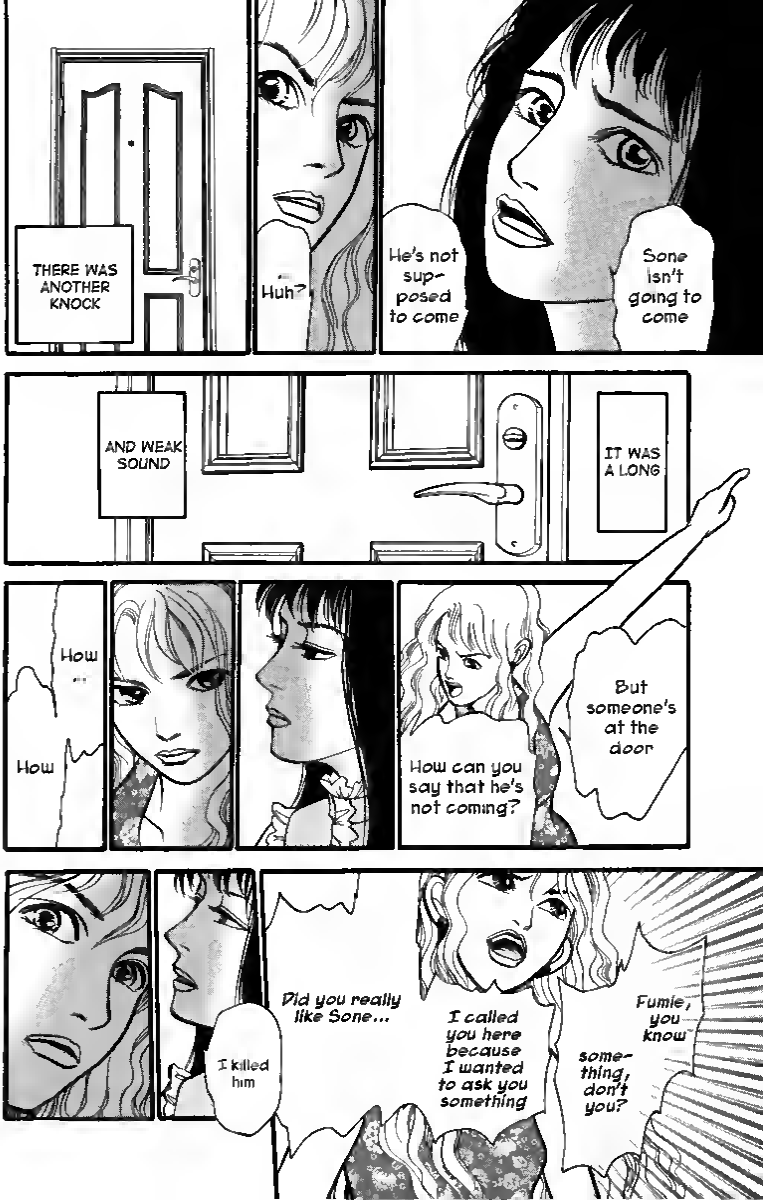


Lead the beetle around the floor
Then say the name of the person you want to summon
Tie a beetle to this pin with a thread
Make it go around and closer to the pin
has completely twined around the pin
When the thread
Are you
that's when it happens!!

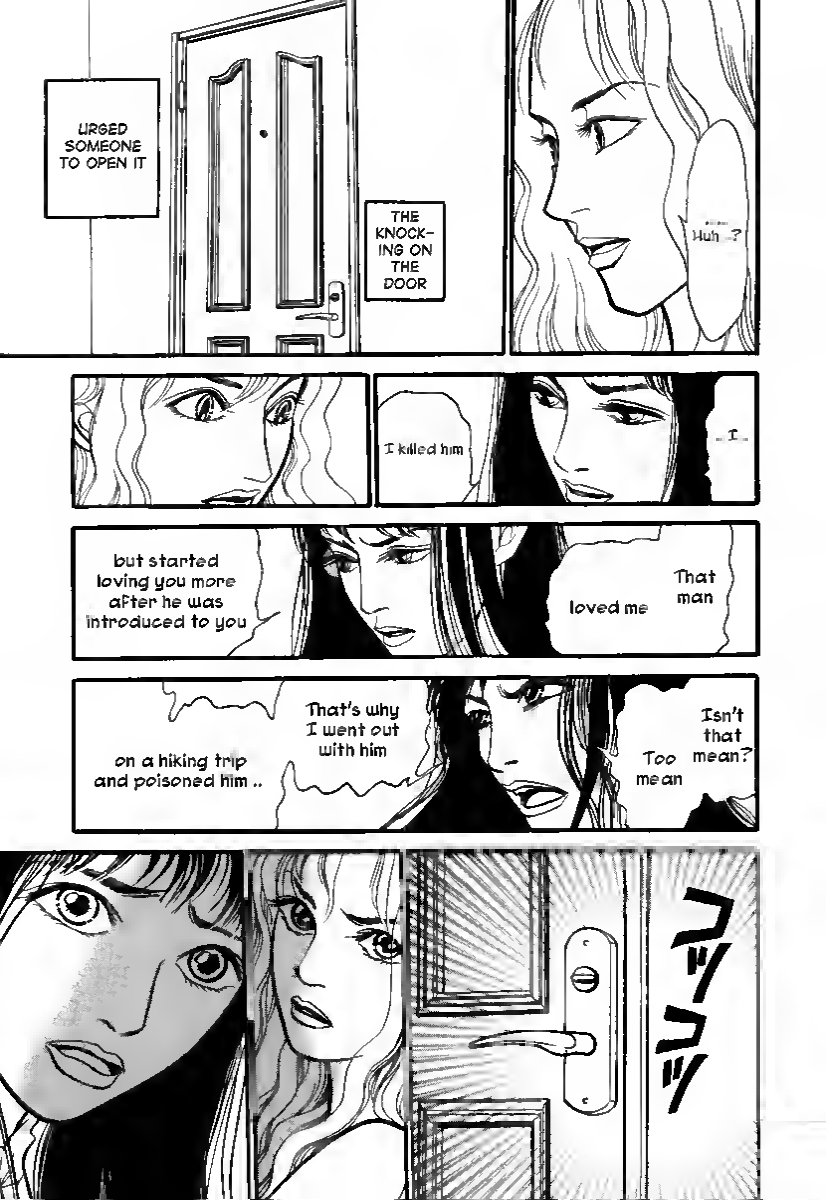
Just a bit further
Yes!!
I won't stop until he's here
keep doing this until the end?
really going to
THEN,
Look



THERE WAS A KNOCK
What is it...?



THERE WAS ANOTHER KNOCK
Huh?
He's not supposed to come
Sone isn't going to come
AND WEAK SOUND
IT WAS A LONG
How ...
How
How can you say that he's not coming?
But someone's at the door
I killed him
Did you really like Sone...
I called you here because I wanted to ask you something
Fumie, you know something, don't you?



URGED SOMEONE TO OPEN IT
THE KNOCK-ING ON THE DOOR
Huh ..?
I killed him
.. I ..
but started loving you more after he was introduced to you
That man loved me
on a hiking trip and poisoned him ..
That's why I went out with him
Too mean
Isn't that mean?
